Test suite for the 'Contact form'

Author:	Tetiana Prylepska
Overview:	This test suite checks the contact form on the portfolio website.
	The Contact form is in the 'Contact me' section at the bottom of the Home page and includes three inputs: Name, Email, and Message. The Button "Send" is triggered to send the letter if all conditions are met.
	Notification on the right side (or bottom side in the mobile width) of the page shows messages about the positive result ("Message sent") or negative result ("Fill in the required fields").
	Object of testing is contact form, URL: https://tetiana-prylepska-qa.vercel.app/#contact.
Preconditions to testing:	1. Access to the internet;
	2. The web browser (Chrome, Opera, Safari) is installed.
